On 20-02-2014 petitioner filed the claim statement and copy of claim statement was furnished to other side on 01-05-2014. On 16-06-2014 respondent filed objections. On 14-07-2014 petitioner filed rejoinder and file came up for framing the issues. On 24-12-2014 this Tribunal framed the issues.

- (i) *Whether termination of service of petitioner is legally justified ?*
- (ii) *If issue is decided in favour of petitioner to what relief he is entitled to.*

Briefly put the petitioner filed an application before Conciliation Officer, Samba against the non-applicant regarding his illegal termination that applicant Ganesh Kumar is workman in non-applicant factory located at Bari Brahmana up to February, 2009. That the workers of non-applicant's factory formed a

That the non-applicant never wanted the applicant to take part in the activities of union and started harassing the office bearers of the union by verbal threats conspiring to involve in fabricated allegation. That applicant resisted all harassment and never trapped in fabricated conspiracy of non-applicant. Finally non-applicant charge sheeted the applicant and conducted the domestic enquiry without allowing the applicant's representative in enquiry proceedings and finally February, 2009 non-applicant terminated the services of the applicant on the basis of statement recorded by the management and neither the witness of workers nor representative was allowed in the whole enquiry proceeding. As such proceedings were partial and the termination was illegal. That the applicant joined the respondent's factory on 28-08-2003 as fitter and was getting Rs. 2100/- PM at the time of joining. That worker formed the union under the name and style of Sudhir Gen Set Ltd. Workers Union in April, 2007 with its head office at Bari Brahmana, Jammu and applicant was elected as General Secretary of Union. That non-applicant stayed the registration of union and finally the workers joined Industrial Estate Worker Union (Registered under Trade Union Act) branch Sudhir Gen Set Ltd. and again the petitioner was elected as General Secretary of the Union. That the non-applicant never recognized the union and always sabotaged the domestic legal function of union which is undemocratic, violative of domestic rights of workers as enshrined in Constitution of India and attracts the unfair labour practices laid down in I. D. Act. That after formation of union, management started harassing the office bearers verbally and through notices with prefabricated charges and every time proper reply was submitted. That in April, 2008 the non-applicant suspended the applicant holding domestic enquiry on the charge sheet. The allegation leveled in charge sheet against the applicant are baseless and violative of principles of natural justice. That non-applicant appointed enquiry officer who always acted upon the direction of non-applicant without allowing the workers to present their case in defence to charge sheet leveled against applicant. That whole exercise of enquiry as submitted is an eye wash and one sided. That enquiry officer always directed

 the applicant to sign an blank papers and refused to cross-examine the
 witnesses of management. That applicant submitted a application to enquiry
 officer for allowing Mr. Nirdosh Uppal who is Joint Secretary of CITU
 J&K State Committee but enquiry officer refused. That enquiry officer has
 not recorded his finding with reasons. That report of enquiry officer is one
 sided. That applicant was getting Rs. 7100 at the time of termination. Finally
 requested that he be reinstated in the services with back wages as the
 applicant has been terminated with unfair labour practice as laid down in
 I. D. Act. Respondent controverted the application before the Conciliation
 Officer and conciliation proceeding failed. Applicant/petitioner also filed the
 claim before the Tribunal.

That after conducting enquiry, enquiry officer submitted the report on 27-11-2008 that charges against the claimant duly proved. That taking an objective view of enquiry report the services of claimant were terminated on 14th Feb., 2009 and as final settlement Rs. 27877 was released in favour of claimant thus nothing is outstanding to be paid to claimant. The reference before the court is therefore unwarranted and finally prayed that claim raised by claimant be dismissed. Applicant also filed the rejoinder to the objection filed by respondent on 14-07-2014 and stated that his services was terminated by illegal means and unfair labour practices were adopted by respondent. Moreover

Ganesh Kumar. He along with other workers felt aggrieved by the absence of Trade Union to espouse the collective grievance of workers and on 29-07-2007 first meeting of about 95 workers was held inside the H. P. Park Opposite Sudhir Gen Set where a Trade Union was formed namely Sudhir Gen Set Workers Union. Where Mr. Shamsher Singh and Mr. Ganesh Kumar were elected as President and General Secretary respectively. Thereafter during the course of strengthening of union respondent appointed a new DGM (HR) Mr. Shamin Haider, who called a meeting in January, 2008 and addressed that he shall not allow to form any Trade Union at any cost. After some days workers notice the introduction of some villain in the name of private work contractor who used their threats to distract the workers from their trade union. On 29-04-2008 Industrial Estate Workers Union (Reg. No. 125 of 13-05-1965) organized a session and elected Shamsher Singh as President and Ganesh Kumar as General Secretary to look after day to day problems of workers of Respondent Company. The dismissal of office bearers Shamsher Singh, Ganesh Kumar and Subash and Vicky Kumar was motivated by animosity and was in furtherance of the policy declared by DGM, Shamin Haider.

Respondent also produced the evidence as under :ô

RW1. Shami Sharma, he deposed that he is presently working as manager HR with respondent. That applicant was engaged with respondent as workman on account of misconduct, disobedience, insubordination. The petitioner was proceeded against departmental enquiry. That Advocate N. Kumar was appointed as enquiry officer on 7th June, 2008. That after affording reasonable opportunity of hearing EO submitted report on 27-11-2008 wherein charges against petitioner were stand proved. That after going through report and documents on 14-02-2008 respondent terminated the petitioner and all dues amounting Rs. 27877 were released in favour of petitioner. That the claim raised by petitioner is not maintainable.

8 The J&K Official Gazette, 15th Dec., 2020/24th Agra., 1942. [No. 37-5
That respondent produced in accordance with law. Victimization alleged by
petitioner is wrong.

In cross-examination witness deposed that presently 187 workers are working in respondent's company and at the time claimant was working there were 190 workers in the company. He never appeared before enquiry officer as witness of any other company. However, appeared as witness of respondent before enquiry officer in the case. He does not remember the date. Petitioner joined the company in 2003 and Shamsher joined in 2007. There was no union formation. He does not know about the letter addressed to SHO by management regarding formation of union. He cannot say whether charge sheet was served by company or not. He also does not know which charge sheet was given to petitioner. As per letter no room number has been specified that where enquiry was to be conducted. Enquiry officer never visited the factory premises. Enquiry was completed in Hotel Asia and Hotel Samrat. He appeared only once before enquiry officer so cannot say what happened during enquiry.

RW2. Mr. N. Kumar deposed that respondent management vide communication dated 7th of June, 2008 appointed him as enquiry officer to conduct domestic enquiry into allegation/charges leveled against applicant, charge sheet/documents were handed over to him. Notice for appearance in enquiry was served. Workman appeared along with some fellow workmen. AR of management also appeared. After conducting enquiry report was submitted on 27th of Nov., 2008. On the basis of enquiry charges except one were proved against applicant. Applicant initially appeared and later on absented himself. He provided ample opportunity but applicant failed to avail and later on he proceeded *ex parte*.

In cross-examination stated that enquiry was earlier held in Hotel Asia and then in Hotel Samrat with regard to a question put by counsel for applicant that charge sheet was given to workman the witness responded that report is self-explanatory. Again with regard to a question by counsel whether charge was in detail he again stated that the report is self-explanatory. With regard to another question that how service of workman was affected, the witness again replied the report is self-explanatory. Through whom the workman was informed the witness stated that he does not remember the name. With regard to another question that whether any affidavit from the management was taken on record that workman was informed for

10 The J&K Official Gazette, 15th Dec., 2020/24th Agra., 1942. [No. 37-5
complaint was ever received against petitioner but as soon as worker union
of respondent company was formed and petitioner was elected as General
Secretary. Respondent started harassing the petitioner and false complaint
were made out against petitioner. Ld. Counsel further submitted no notice
was displayed on the notice board. That enquiry in the present case was
earlier held at Hotel Asia and from 20th of June 2008 proceeding were held
at Hotel Samrat and from 19th of July, 2008 due to internal disturbance
proceeding could not be conducted on 19th of July, 2008. He received a call
from DGM, Shamim Hyder that proceeding would not be held on
25-07-2008. Whereas, the proceeding was further posted on 15th of
September, 2008 and on this date all the witnesses were recorded by enquiry
officer. Ld. Counsel argued that witness N. Kumar stated that worker was
sent notice through post and informed through representative of management
but does not remember the name of representative. No affidavit was taken
on record nor was notice pasted on notice board. Neither he knows the
address nor place of residence of worker. All this reflects that due process
has not been followed by enquiry officer. That petitioner was not having
knowledge of place and date. That enquiry officer in response to many
question stated that report is self-explanatory then what is the fun and
purpose of cross-examination. That enquiry officer has never visited the
company of respondent. Ld. Counsel further submitted that enquiry officer
does not know the address and place of residence and qualification of
workman. All this reflects that enquiry has been conducted in mechanical
manner without following due process of law and principle of natural justice.
That no second notice was served by respondent before terminating the
workman. That on these grounds submitted that dismissal be set aside.
Petitioner joined and workers trade union on this respondent started harassing
him and using unfair labour practice terminated him.

On the other hand counsel for respondent submitted petitioner raised
an industrial dispute with respondent after a thorough enquiry by N. Kumar,
Advocate from Delhi. The charges against the petitioner were threatening
superiors, threatening to damage the property of respondent and
insubordination. Petitioner caused his appearance before enquiry officer in
an adamant attitude. That E. O. showed all fairness and despite remaining
absent he was informed through register post about next proceedings. That
in the light of statement of the witnesses of petitioner the charge stood
proved against petitioner. That on the basis of report petitioner was terminated

on 14-02-2009. That petitioner and his witness both stated that petitioner was harassed because of trade union activities but no document was placed before enquiry officer or before this court that he was harassed due to formation of trade union. That termination order is based on enquiry report and on objective assessment. Counsel for respondent further submitted that report of E. O. with stood the test of cross-examination and had to be accepted. It is submitted that petitioner is not entitled to any relief. He further submitted that section 2 of IDA defines the retrenchment as retrenchment means termination of workman by whatsoever, otherwise than as punishment by way of disciplinary action which is not retrenchment that petitioner cannot challenge the report of enquiry officer and is stopped at this stage. Finally prayed that claim petition be dismissed.

1. Whether the termination of the services of petitioner is legally justified ?
2. If the issue is decided in favour of petitioner what relief he is entitled to.

öWhether the termination of the services of petitioner is legally justifiedö?

Ld. Counsel for petitioner submitted that petitioner was working in the company of respondent as fitter from August, 2003 till 2009 after enquiry report he was terminated. Ld. Counsel submitted that workers of the respondent company formed the union in April, 2007 and petitioner was elected as General Secretary of the union in the name and style of Sudhir Gen Set Workers Union which respondent got stayed. Thereafter petitioner joined Industrial Estates Workers Union which was duly registered and petitioner was again elected as General Secretary of the Union. That after the formation of the union respondent started harassing the petitioner verbally and through notices which the petitioner replied properly. But the petitioner was suspended and respondent constituted a domestic enquiry. The counsel for petitioner also submitted that after the enquiry report was submitted on 27-11-2008. The petitioner was terminated in the year 2009. Counsel again

12. The J&K Official Gazette, 15th Dec., 2020/24th Agra., 1942. [No. 37-5
submitted that principles of natural justice were not observed during the
enquiry proceeding and were blatantly violated, as notice was sent to
petitioner through post that enquiry is to be conducted in Hotel Asia at
3.00 PM without mentioning the room and without precise charge sheet.
That witness of respondent stated that no charge sheet was ever served
and no complain was ever received against petitioner. Responding to these
arguments Ld. counsel for respondent submits that charge sheet against the
petitioner was framed and N. Kumar Advocate from Delhi was appointed
as enquiry officer, who conducted the enquiry fairly. Petitioner appeared
and was having adamant attitude turned absent and despite remaining absent
was informed through registered post. In the light of statement of charges
were proved against the petitioner and was terminated on 14-02-2009 after
receiving enquiry report.

From the perusal of statement of petitioner and his witnesses it reflects
that he was victimized for joining union. The perusal of the statement of
RW Shami Kumar in response to question put by counsel for petitioner, the
witness replied that he does not know which charge sheet was served to
petitioner. The witness also stated that no room number of Hotel was specified.
He further stated that enquiry was earlier conducted in Hotel Asia and
thereafter in Hotel Samrat, Jammu. N. Kumar Advocate enquiry officer
when asked whether charge sheet was given to workman he replied in his
statement that every detail of the proceeding is mentioned in his enquiry
report which means he stated nothing whether charge sheet was given to
petitioner (workman).

Perusal of the enquiry report page 3 last para enquiry officer stated
that petitioner have received the charge sheet. But none of the witnesses of
respondent have stated that charge sheet has been served by him or his
presence. As such it appears that it has not been proved by the respondent
that charge sheet was served upon the petitioner. With regard to the argument
of petitioner that petitioner along with workers of respondent formed the
union under style of Sudhir Gen Set Workers Union in April, 2007 and the
petitioner was elected as General Secretary of the Union which the
respondent got stayed. Thereafter petitioner joined the Industrial Estate
Workers Union which was duly registered and petitioner was again elected
as General Secretary of the union and information was given to Respondent
Company. Thereafter respondent started harassing the petitioner through
oral and written complaints. Respondent controverted this argument stated
that various complaints against petitioner were received regarding

From the perusal of enquiry report in the first para the enquiry officer stated that he was appointed to conduct the enquiry against the petitioner into allegation of charge of misbehavior, disobedience, insubordination, deliberate absenteeism and illegal unionism. Similarly in last para he stated that during enquiry other charges have been confirmed against petitioner Ganesh Kumar but as regards the charge relating to spreading objectionable views among co-workers against management and superior and to cause uncongenial atmosphere at work place could not be proved as management could not give any cogent evidence. Record reflects as is stated in the enquiry report para 1(a) to (j) that all the complaint have been made after the formation of Worker Union of Sudhir Gen Set in April, 2007 and joining of Industrial Estate Union. This reflects there was no complaint against the petitioner from joining the service in 2003 to 2007 but when he along with others formed the union Sudhir Gen Set Worker Union and in 2008 after

14 The J&K Official Gazette, 15th Dec., 2020/24th Agra., 1942. [No. 37-5
joining of petitioner to Industrial Estate Workers Union, domestic enquiry
was started against the petitioner.

Section 2(ra) of IDA, 1947 defines unfair labour practice in
schedule 5 and some of the relevant unfair labour practice activities are
stated as under :

On the part of employers and trade unions of employers

1. *To interfere with restrain from or coerce, workman in exercise of their right to organize, form, join or assist a Trade Union or to engage in concerted activities for the purpose of collective bargaining or other mutual aid or protection this is to say—*
 - a. *Threatening workman with discharge or dismissal if they join a trade union.*
 - b. *To encourage or discourage membership in any trade union by discriminating against any workman.*
2. *To discharge or dismiss workman—*
 - a. *By way of victimization.*
 - b. *Not in good faith but in colourable exercise of the employer's rights.*
 - c. *By falsely implicating a workman in criminal case on false evidence or on concocted evidence.*
 - d. *For patently false reasons.*
 - e. *On untrue or trumped up allegation of absence without leave.*
 - f. *In utter disregard of principles of natural justice in the conduct of domestic enquiry or with undue haste.*

For misconduct of a minor or technical character without having regard
to the nature of particular misconduct or past record or service of the
workman thereby leading to a disproportionate punishment.

Again in DEM Engineering Products V/s. Presiding Officer, Industrial Tribunal, Jallander 2017 LLR(SN) 1005 ; 2017 II CLR 719 (P&HHC) held that non-granting of an opportunity to the workman by way of second show

The perusal of record placed on file with objection of respondent there is letter dated Feb. 19, 2009 addressed to petitioner Ganesh Kumar wherein it is stated that "this is with reference to the termination letter dated 14th of Feb., 2009 based up the domestic enquiry report dated 27-11-2009 we are sending cheque of Rs. 27877 toward full and final settlement of all your dues." In his statement petitioner stated that respondent threatened the workers of termination of their job. That he was later on informed that instead of Hotel Asia next proceeding were held at Hotel Samrat in ex parte. There is nothing on the record which reflects that 2nd notice after enquiry was given to petitioner before termination.

In view of the discussion made herein above and the law stated. It has been established and proved that domestic enquiry was a empty formality. Petitioner was victimized due to formation of the Sudhir Gen Set Workers Union and joining of Industrial Estate Workers Union. It has also been proved

18 The J&K Official Gazette, 15th Dec., 2020/24th Agra., 1942. [No. 37-5
 00000000 000 000
 that no charge sheet was served to petitioner. Moreover notice regarding
 change of venue of enquiry proceeding from Hotel Asia to Hotel Samrat
 has not been served to petitioner and ex parte proceeding were initiated
 against the petitioner. Again no show cause notice was issued/served to
 petitioner before termination for his comments.

As such Issue No. 1 is decided in favour of petitioner and against the
 respondent. Once the Issue No. 1 has been decided in favour of petitioner.
 Issue No. 2 is taken up to return the finding on the merits and law.

Issued No. 2 if not to what relief he is entitled to.

Once the Issue No. 1 has been decided in favour of petitioner that his
 termination on basis of enquiry report was not proper. To what relief petitioner
 is entitled to. Petitioner submitted his claim petition in the shape of money
 from respondent for illegal termination from the service. The petitioner
 claimed that he joined the service in Respondent Company in 2003 and he
 was getting monthly wages as Rs. 7100.00 per month at the time of
 termination in Feb., 2009.

A. Petitioners total claim is stated as under and the wages for the period from July, 2008 to Feb., 2009	702050/-
B. (i) Notice Pay (one month wages)	13250/-
(ii) Retrenchment compensation (15 days pay wages drawn on each year of service)	66250/-
(iii) Gratuity 15 days wages drawn on each year service	47323/-
(iv) Bonus for two years	17000/-
(v) Leave encashment	39750/-
	0 0 0 0
Grand Total	885632/-
	0 0 0 0

From the perusal of record it reflects that though it has been proved
 that petitioner has been terminated from the service illegally. On the other
 hand he has not proved that during the period of his termination he remained
 without work. Neither the petitioner nor his witness stated that during
 termination period he was without work or job. It also reflects from the

“Para 11. On a specific query by the Court, whether the reply of the petitioner on page 121 and 122 of the paper book, has been proved before the Industrial Adjudicator, the answer was in the negative. The Learned Counsel would submit, even though, reply was produced before the Industrial Adjudicator, but the same was not exhibited. If that be so, it is as good as, the said document has not proved. Even otherwise, it is to be noted, no such offer was given by the petitioner during the pendency of the proceedings before the Industrial Adjudicator. Rather, the management witness has deposed that the petitioner does not want to take the respondent back on duty as the respondent was involved the criminal matter pending in Kullu Court, Himachal Pradesh. The reliance placed by the Learned Counsel for the petitioner on the reply dated January 29, 2009, even though not proved, would not help the case of the petitioner that the petitioner had offered the respondent to join back his duties. The factum of the respondent being in the employment of the petitioner, is not denied/disproved. It is also proved that the petitioner could not prove abandonment of duties by the respondent. The Industrial Adjudicator has rightly drawn a presumption that the services of respondent were illegally terminated. On a finding of loss of confidence in the respondent, the Industrial Adjudicator having awarded an amount of Rs. 1 lakh to the respondent, it is not a fit case where this Court, in exercise of its power under Article 226 of the Constitution need to be interfere with the impugned Award.”

“In another case of Delhi Transport Corporation Vs. Krihsan Lal Mason 2018 LLR Del HC Hon’ble Delhi High Court held that

termination of service of a workman daily wager who was in continuous service for about 10 years by an oral order without making compliance of provision of section 25-F of ID Act, 1947 would attract reinstatement with consequential benefits and full back wages illegal termination of service of workman who have put unblemished service for 10 years is unfair labour practice and directing the respondent to regularize the service of workman is justified.”

From the discussion and law cited above, I am of the opinion that petitioner deserves to be awarded a lump sum compensation amount of Rs. 5 lac without the reinstatement of service would suffice the ends of justice. As such termination of the petitioner is hereby set aside with a direction to respondent to pay petitioner a total lump sum compensation amount of Rs. 5 lac (Five Lac).
